**Croatia** is a Central European and Mediterranean country, bordering Slovenia in the west, Hungary in the north, Serbia in the east and Bosnia and Herzegovina in the south; the country also has a long maritime border with Italy in the Adriatic Sea. Most of Croatia has a moderately warm and rainy continental climate, but the islands, Adriatic coast and especially its immediate hinterland are characterised by the Mediterranean climate. During its rich history, which dates from the Greek and Roman times, Croatia was, among others, a dutchy, a kingdom, a distinct state under the Austrian and Hungarian government, and a part of Yugoslavia, until its independence in 1991, after the Croatian War of Independence (Domovinski rat). Today, Croatia is a part of the European Union (since 1 July 2013) with tourism as one of the main economic branches.

**Split** is the second largest city in Croatia, situated in the heart of Dalmatia, a Croatian region characterized by warm and pleasant climate and the Mediterranean culture. The town itself is 17 centuries old, with the Roman emperor Diocletian’s palace in the core of the today’s town. Diocletian’s Palace and the entire historical core of Split have been on the World Heritage UNESCO list since 1979, not only for the extraordinary preservation of the Palace, but also because the Palace and its city continue to live a full life. Today, Split is an important Croatian cultural, tourist and sport centre, international port and the second largest university centre in Croatia.

Erasmus+ Internship

I was in Split between September and December of 2015, it was my second Erasmus. I chose Croatia because I have been in Lisbon one year, and this time I wanted to change, I wanted to discover something far from my “Latino” culture. And it was great! The first impression, when I arrived, was:”wow! I’ll be there for the next three months with sun, beaches and beautiful people: I could not choose something better!” The city was amazing, the history literally came out from the walls of the streets, I really loved to walk inside the Diocletian’s Place and try to talk in Croatian with the people; actually my Croatian was really bad but the Spliters with me were really nice and cute, always ready to help me! Split is famous especially for the sea and the beaches, but I also discovered an incredible nature behind it: walk in the forests or climb the mountains and see the incredible view from the top, it’s something that I’ll bring with me forever! I really miss Split, I really miss all the people that I met there, Croatians and Erasmus, and I hope one day to come back there, Split is a nice place to live. Split is Indimenticabile! (Unforgettable).

Magdalena Właź, Poznan, Poland
Erasmus student at Faculty of Economics, University of Split

My Erasmus took place in lovely Split in which I felt like home during first couple of days. Having coffee with friends, admiring seaside on the way to University or walking in beautiful Marjan park makes everyday unique. Spending one semester abroad has incredibly broadened my mind and made me aware of my strengths and weaknesses. It is a great opportunity to use foreign language as the basic one, including studying. In this period I had the opportunity to meet and have fun with people from all over Europe and see how varied our ideas for life can be. Erasmus gives you the courage for other future challenges and does it in the most fascinating way!
Academic calendar

Language requirements

- English language Level B2 is necessary. Any language proficiency certificate such as TOEFL etc. is more than welcome, but not mandatory.
  *An alternative is that students provide a certificate on English language proficiency from home university.
  Please note: It is in the interest of the student to present true knowledge of English in order to be able to follow lectures/tutorials and pass exams.

- Courses not available in English are expected to provide tutorials in English for foreign students.
Luca Casadio, Trieste, Italy
Student of Italian and Croatian Language and Literature at Faculty of Humanities and Social Sciences, University of Split

For my second Erasmus, I decided for Split. There I had, I think, the best time of my life: after 5 months I reached level C1 in Croatian language, during those months I met people who changed my life and visited places that astonished me. Then, close to the end of my stay, I decided to spend the rest of my Erasmus+ months on an internship in Split in the Department for International Cooperation and Public Relations at Faculty of Humanities and Social Sciences.

Since I started to love Split so much, I decided on my next goal: to apply for a Master’s degree in Croatian and Italian language and literature at the University of Split and increase my knowledge as much as possible living in the place I love the most. I even applied to become a member of ESN Split, student association working with Erasmus students with aim to guarantee them a great experience, because I want to make the other students feel what I felt sharing with them my story. Erasmus is a lifestyle, Erasmus is life with style.
The Centre for Croatian Studies Abroad at the Faculty of Humanities and Social Sciences organizes semester courses for Erasmus students (levels A1-C1). Besides the course Croatian language for foreigners (5 ECTS), the Centre offers courses Croatian Culture and Civilization 1 and 2 (5 ECTS each) with classes taught in English. To apply, please contact the Centre directly at JELENA NOVAKOVIĆ, jnovak@ffst.hr

Erasmus students first need to be nominated by their home universities to the International Relations Office via erasmus@unist.hr

Nomination
Nomination needs to include the following data:
- student’s full name,
- e-mail address,
- semester of planned mobility,
- study field,
- level of studies during the mobility period.

Application and Selection
Erasmus students selected by their home universities to spend their Erasmus study period at the University of Split need to prepare the following documents:

1) Erasmus student application form
2) Learning Agreement (students can use either our Learning Agreement form or the form of their home university)
3) Transcript of Records issued by their home university.
4) Accommodation form - please read carefully GENERAL TERMS AND CONDITIONS
5) Copy of valid Passport / ID card

Completed Erasmus Student Application form, Learning Agreement and Transcript of Records need to be duly signed and stamped by home university.

N.B. We recommend that you first send us the list of courses you plan to attend and upon confirmation fill out LA, in order to avoid multiple changes.
Once you have all the documents in place, a scanned copy of each needs to be sent to the e-mail address: erasmus@unist.hr. Students are requested to present the original documents upon arrival to the University of Split.

**Application documents**

![QR code](image)

**Deadlines for Application**

winter semester: 1 April – 1 June  
summer semester: 1 September – 1 November

**Admission**

The International Relations Office will send the Application form and Learning Agreement to the Faculty coordinator at the University of Split. If the student is accepted, International Relations Office will send an Acceptance Letter and confirmed Learning Agreement to the student and to the student’s home university.
**Guest students**

Guest students are ‘non-degree’ students coming to study at the University of Split on an individual basis, outside existing bilateral agreement between institutions.

As such, guest students are required to pay the current tuition fee at the University of Split. For more details about tuition fees please contact the faculty of your choice.

---

**Application documents**

Application documents should be sent scanned to erasmus@unist.hr

---

**Degree seeking students**

Degree seeking students are those studying for a full Bachelor’s, Master’s or PhD degree at the University of Split.

Before application to the University of Split, all degree seeking students must undergo the process of recognition of foreign education qualifications for the purpose of continuation of education in Croatia.
Students who wish to apply for undergraduate study programmes at the University of Split should send their high school diplomas and results of school-leaving exams to the Education and Teacher Training Agency where they will undergo a process of recognition. Read more about procedure on recognition (scroll down for English version).

Application procedure for undergraduate study programmes

Students who wish to apply for graduate or postgraduate study programmes at the University of Split, have to request **academic recognition** of the foreign higher education qualification or degree.
It is administered by the Office for Academic Recognition of Foreign Higher Education Qualifications:

*University of Split*

*Office for Academic Recognition of Foreign Higher Education Qualifications*

*Poljička cesta 35*

*21000 Split*

*Croatia*

Once the process of recognition of foreign education qualifications has been completed, prospective international graduate and postgraduate students should contact the *faculty / department / academy* of their choice.
The University of Split welcomes our colleagues from our partner institutions, both academic (either in terms of teaching or training) and administrative. Furthermore, each year the University of Split organizes the International Staff Week (usually in May, applications usually in February). More information available on:

In case of any questions, please contact UNIST International Relations Office erasmus@unist.hr

We look forward to hosting you in Split!
After processing the student application, an official Letter of Acceptance shall be issued. This document will be needed for the regulation of a visa and/or residence permit.

Accommodation

For accommodation in Split, incoming students have two options: they may stay in a dormitory or seek private accommodation. The University of Split offers accommodation for Erasmus students in the Student dorm Spinut and Student dorm Campus, but the number of rooms at the Student dormitories is limited.

**IMPORTANT:** University of Split can only guarantee accommodation in the dorms for the duration of the academic year, so please plan your arrival/departure in accordance with the academic calendar.

Student dorms

Student dormitory **Hostel Spinut**

It is a newly furnished student dorm categorized with 3 stars***. Hostel has 4 kitchenettes, a TV room, study room, IT room, coffee bar/patisserie, restaurant, summer terrace and an everyday 24-hour reception desk. The dormitory is under video surveillance and secured overnight by a security service. Being located in the very heart of the Marjan Hill it is surrounded by parks and forest. It is possible to use the City Express courier service from the dorm. During the summer, the rooms are for rent.
The dorm’s Restaurant is designed according to the best standards and students are offered the highest quality food and service. Every other weekend students will use the services of the Student restaurant at the Faculty of Civil Engineering, Architecture and Geodesy. Erasmus students are accommodated in double rooms, altogether 20 places.

Student dormitory **Campus**

The brand new student dorm at the University Campus (opened in Spring 2013) offers 10 places for Erasmus students. The dorm is in the vicinity of the following faculties: Faculty of Economics, Faculty of Civil Engineering, Architecture and Geodesy, Faculty of Electrical Engineering, Mechanical Engineering and Naval Architecture. Erasmus students are accommodated in double rooms.
Booking

Accommodation booking is made to UNIST by sending the Accommodation Form until 1 June (for winter semester and whole academic year) and 1 November (for summer semester).

There is a limited number of bedrooms available in the dorms, therefore UNIST cannot guarantee accommodation arrangement to all ERASMUS+ students. Once the data stated in the Accommodation Form have been checked, places will be distributed on a “first come, first served basis”. If any false statement has been made, the accommodation request will not be accepted.

A list of selected students and those on a waiting list will be published by 1 July/1 December at UNIST web page (International Relations/ERASMUS+/Incoming Students). When applicable, the list is updated on regular basis.

Private accommodation

Students may contact Erasmus Student Network (ESN) Split

**Visa and residence permit**

You will not need a visa for travelling within the EU if you are a citizen of an EU country, Iceland, Liechtenstein, Norway or Switzerland.

Nationals of countries subject to the visa requirement also need to procure an entry visa for Croatia (Visa C). Information on countries subject to the visa requirement can be found on the web site of the Croatian Ministry of Foreign Affairs and European Integration.

An application for a visa (available in Croatian, English, Russian, Ukrainian, Turkish and Albanian) can be found at this link

https://crovisa.mvep.hr/
After completing the online application, it must be printed and submitted to the diplomatic mission or consulate of the Republic of Croatia in the student’s home country together with other relevant documents. A list of missions and consulates is available on web site of the Croatian Ministry of Foreign Affairs and European Integration http://www.mvep.hr/en/

EU/EEA citizens can enter Croatia with just a valid ID card (or passport) and then need to register at the Central police station if staying for more than 3 months to regulate the residence permit.

A residence permit is the prerequisite for issuing a transcript of records and letter of confirmation of the international students study period.

There are 2 types of residence permit: up to and more than 90 days. All students, except those with accommodation in student residence up to 90 days (regulated directly by the student residence), must report their stay in Croatia to the Central Police Station within 2 days (48 hours) upon entering Croatia. Address: Trg hrvatske bratske zajednice 9.

The following documents must be presented with the application for temporary residence for the purpose of studying:

- Letter of acceptance
- one colour photograph 35x45 mm;
- administrative fee in the amount of 20 HRK (for Non EU students, can be bought at all newsstands);
- regulated health insurance;
- valid passport and copy of the first page with the photograph;
International students receiving a grant from the Croatian Ministry of Science, Education and Sports are exempt from the fee for temporary residence permit. The temporary residence permit is usually granted for the duration of one year or for the duration of the academic year. Temporary residence authorisation is entered into the passport in the form of an adhesive label.

Students staying more than 90 days, upon arrival in Croatia apply for a short-term stay. After 89 days (at latest) of the short-term stay permit, all above listed documents for the temporary residence application are to be presented at the police office. Students are strongly recommended to get all relevant original documents prior to arrival in Croatia. At the moment of application for a temporary residence, all documents should not be older than 6 months. Upon request, all original documents requested for a temporary residence application must be officially translated into Croatian language. All students, no matter the duration of staying in Croatia, must check with the local Croatian diplomatic mission: the obligatory validity of passport (in months) to be longer than the actual stay in Croatia, whether the need for an “apostille” of all original documents and certified translations exist.
General health care services can be accessed by selecting a primary health care physician whereas health care on other levels (e.g. hospital, specialist examinations) can be accessed by way of a reference document (uputnica) issued by the selected physician.

Emergency service centers:

- Dental care: Doverska 2, ground floor, tel.: 021/460-977, Sunday and holidays 24 hours

- General medicine: Doverska 2, ground floor, tel.: 021/468-012, Sunday and holidays from 8 to 15 and after that at Emergency service clinic at Central hospital in street Spinčićeva 1, tel.: 021/389-522.

In urgent cases, the emergency service phone number is 194.

Information about Pharmacy (ljekarna) is provided under section Practical information/sub-section Services working hours.

Additional information regarding health insurance:
http://www.hzzo-net.hr/english.php
1. EU students

Health care services are accessed with a valid European Health Insurance card.

In the event of unforeseen illness, injury or accident, the EHIC enables access to health care that cannot be postponed until the holder’s planned return to the home country. The costs are covered by the national health care provider in the holder’s country of permanent residence, and the holder is obligated to cover only the participation fees in Croatia, if they are mandatory for Croatian insurance holders as well.

Medically necessary health care includes treatment related to chronic or pre-existing conditions, unless the express purpose of travel to Croatia is to obtain treatment (such as high blood pressure control), as well as health care related to pregnancy and childbirth, unless the express purpose of stay in Croatia is childbirth. Necessary medical treatment also includes services such as dialysis, oxygen therapy, or asthma treatment; however, arrangements should be made with relevant health care facilities in advance.

The EHIC does not cover the costs of planned medical treatment or health care services with private providers. Also, the EHIC is not an alternative to travel insurance. It does not cover costs such as mountain rescue in ski resorts, return flights to the home country, or stolen or lost property.
2. non-Eu students

Non Eu-students must be fully insured against illness, accidents, death and civil liability for the whole duration of the stay in Croatia. Regulated health insurance is the prerequisite for being granted temporary residence permit.

Countries with health care agreements with Croatia

The issue of health care for foreign non EU-nationals during their stay in Croatia through the signed agreements on social security is regulated with some countries. Students should contact their public health insurance provider prior to arrival in Croatia in order to check if there is an agreement on social security signed with Croatia. If yes, students will obtain the certificate which enables them to receive health care in Croatia. Upon arrival in Split, student should replace the certificate of healthcare entitlements with the patient’s certificate (in Croatian: bolesnički list) at the Croatian Institute for Health Insurance (HZZO - Hrvatski zavod za...
zdravstveno osiguranje), street Obala kneza Branimira 14. On presentation of the patient’s certificate, student may obtain healthcare services from any doctor or health institution who has a contract with the HZZO within the scope established by bilateral agreement, but are required to pay a participation fee if that is foreseen for Croatian insurees.

Countries without health care agreements with Croatia

Students from countries which do not have social security agreements with Croatia (or if students are unable to obtain the document foreseen by the social security agreement) are obliged to become insured with the Croatian Institute for Health Insurance (HZZO).

Steps are: upon arrival in Split present all necessary documents to the Central Police Station and get the OIB number;

- with OIB number go to HZZO office in street Obala kneza Branimira 14 where they will register you in temporary evidence and will issue relevant confirmation which entitles you and binds the HZZO to medical insurance after the residence regulation;

- with the HZZO temporary confirmation, the student returns to the Central Police Station where the temporary residence permit is issued;

- after bringing a copy of the residence confirmation to the HZZO, the HZZO issues a document with which the student attains the right to full health care within the network of physicians and health institutions of the HZZO (necessary documents: a copy of the first page of
the passport, a copy of the passport page with a visa and a copy of the residence confirmation);

- the monthly health insurance cost is approximately 400 HRK per month (around 55 EUR, for which the appropriate Tax Department of the Ministry of Finances sends money orders to the students’ registered place of residence in Croatia.
Student identity card X card (so called “iksica”) is a document that proves student status and provides a student certain benefits such as subsidized meals at Student restaurants and cafeterias all over Croatia, subsidized public transport, discounts on tickets for bus and rail transport, discounts on tickets to the cinema and theatre etc. The X-card can be used only by the person to whom it was issued and it is valid until the date by when the student has a valid registration of the year/semester at the institution. ERASMUS students, CEEPUS students, students of bilateral programmes of the Ministry of Science, Education and Sports and EU students are entitled to an X-card.

X-cards are issued by Faculties, so the students need to follow the following procedure:

1. **Upon registration of her/his stay in Croatia and obtaining the OIB number (PIN - Personal Identification Number), student goes to the Student registration office of her/his faculty which:**
   a) Registers the student in student files
   b) determines the level of subsidised meals (Ministry scholars: Erasmus, Ceepus, bilateral agreements – level 2; State office for Croats outside of Croatia – level 1)
   c) makes a request for printing a personalised card (with photo)
   d) assigns a temporary card which is not personalised and with which the student gets subsidised meals

2. **Upon delivery of the printed card the student returns the temporary card and receives a personalised card.**

3. **The cost of card issuance is to be paid by the student.**

4. **After the mobility period the student is required to return the card to be cancelled. After that, the student can keep the card.**
The Croatian Currency is the KUNA (kn or HRK), which is divided into 100 lipas.  
1 HRK ≈ 7.5 EUR. For current rates, check [https://www.hnb.hr/en/home](https://www.hnb.hr/en/home)

Sports

Pursuant to the Sports Act, all of the official competitions at the University of Split are to be organized by the Split University Sports Federation, the legal successor to the Split University Sport Association. In addition to organizing sporting events in this area, the Split University Sports Federation also takes care of the performances of our students, that is, of university teams, at all student competitions in Croatia, as well as numerous international competitions.

All activity of the Split University Sports Federation up to this point has been the starting point for achieving our final goal: BRINGING THE UNIVERSITY SPORT TO THE LEVEL OF THE HIGHEST AND MOST PROMINENT EUROPEAN UNIVERSITIES. Sporting tradition of Split and reputation of our University obliges us to achieve this goal.

To this end, the Split University Sports Federation organizes over 15 sporting and recreational events every year, including the International Rowing Regatta Sveti Duje, with participation of best university rowing teams in Europe, including Oxford and Cambridge teams.

**ESN Split**
ESN Split is a non-profit student volunteer organization, part of the international Erasmus Student Network, which aims to help international students in Split with integration into Croatian culture and to help them with language and social life. At the moment ESN Split has 30 members, mainly former Erasmus students from Split who wish to share and continue their experience with providing new incomers information, support and company. Besides the initial Welcome week, ESN Split organizes trips, excursions, parties and different events during the whole academic year, in order to provide new Erasmus students the unforgettable experience of Split. Traditional trips and excursions include the National park Plitvička jezera, Zadar, Zagreb, and Mostar.
As an ESN member, you can get the ESNcard that will provide you with lots of discounts (housing, sport, food, bars, etc.) all over Europe. Moreover, you will have the opportunity to participate in thousands of events (trips, cultural events, sports activities and parties) all year long. The aim of the ESNcard is to support and give opportunities to international students during and after their exchange. You can check a Full list of discounts in Split on esncard.org.

ESN Split also provides a program called “Buddy System”, the main goal of which is getting in touch pairs of one Croatian and one exchange student. Buddies are usually recruited from home students either coming home from their Erasmus (if their do not want to lose the Erasmus spirit), or thinking about going to Erasmus (if they want to experience international atmosphere right at their home University and get ready for Erasmus life). Their job is usually to pick up “their” exchange students upon arrival to the city, to take them to the dormitory and help
them to arrange all the formalities at official places, but also to help them explore the city and to integrate and socialize more easily. Incoming students can apply for their buddies by contacting ESN through e-mail address: esn.split@gmail.com

Or, fill out the Buddy application form and send it together with the rest of the Erasmus documentation to erasmus@unist.hr

I choose Split because I have always found Split magically beautiful. I thought that it would be perfect to spend a year in Split, and found out how magically it looks like in all four seasons. After months spent in Split I got the proof that I was right. Now I think Split is more than magical. That is the city with soul, city where everything goes easy, or as people here like to say pomalo (take it easy). Ritam of life is slow enough for you to have time just to stop and enjoy the beauty that this city offers. Also, there is a lot of places to visit, a lot of new things to try, and of course there is also a lot of places for going out.
Studying at the University of Split was a great experience. University has a great number of highly qualified professors, who are always there to help if you have any difficulties with understanding the material. The best thing about student life in Split is that people here are always ready to help you if you need something. People are in general very relaxed and always in for a party. All in all, if you choose Split for your exchange, you will learn a lot and also enjoy a lot.
Top 10 things to do in Split and around
1. Marjan Hill
If you want to take a nice walk, go for a run, go skating or riding a bike, the Marjan hill is a great place to go. This Forest park, situated not far away from the city centre, is a weekend destination where people from Split like to spend their free time, enjoy fresh air, do their favourite activities, or during warm weather, go for a picnic.

2. History
Diocletian’s palace is the heart of the town, so during your walk through the city centre you will pass through old small medieval streets, renaissance palaces and the ancient emperor’s cellars or temples (like Jupiter’s Temple) or Diocletian’s Mausoleum which is now Split’s Cathedral. If you’re not scared of heights, you can climb the Tower of Saint Domnius (Duje) for a spectacular view.
3. Matejuška
Matejuška is the old port, next to Riva, where you can experience the real atmosphere of the old town. It is a favourite meeting spot for young people, especially during summer nights.

4. Museums
For some cultural insight, visit one of the museums in Split. Gallery of Ivan Mestrovic, a famous Croatian sculptor is situated in Meje (Šetalište Ivana Meštrovića 46). In the city centre there is a Gallery of Fine Arts (Kralja Tomislava 15), often hosting different exhibitions of young contemporary artists. And if you want to know more about Split’s ancient history, go to Archaeological museum (Zrinsko – Frankopanska 25).

5. Coffee
One of the first things you will notice on your arrival in Split is how much we enjoy coffee. Coffee in Split is more than just a drink, it is a ritual. On a sunny day, people like to sit on Riva or in one of many coffee shops in the old town of Split and chat with their friends even for hours over a cup of coffee.

6. Beach
During our hot summers, you can look for refreshment on one of many Split’s beaches. The most popular one is Bačvice, where you can also play Picigin, a famous game traditionally played on this beach.

7. Poljud stadium
If you’re a football fan, go to see a football match with Hajduk playing, Split’s famous football team and get the first-hand experience of Croatian’s love for this sport.
8. Hiking & Sports
Split is surrounded with a few hills like Kozjak and Mosor, which provide a great hiking destination for all lovers of nature and climbing. Go to the river Cetina for rafting or zip line in the same area. For a great mixture of culture and recreation, climb to Klis fortress (one of the shooting sights for popular TV show Game of Thrones).

9. Market
A traditional market is placed in the heart of the town, where you can find daily fresh fruits and vegetables, flowers or clothes or just experience the motion of a busy day. Split is also known for its fish market located next to Marmontova street, the main street in the city centre.

10. Food
Typical Dalmatian cuisine is a Mediterranean one, with lots of fish, olive oil and Dalmatian herbs. You can go to one of the small restaurants or traditional konobas and taste Dalmatian prosciutto, brudet or pasticada.
**TOP 5 events**

1. **Split Carnival**
Usually in February, takes place in major streets in the city centre of Split and on Riva. Masks, parade and events throughout the whole town.

2. **Sveti Duje (Saint Domnius Day)**
On 7 May we celebrate Saint Domnius, a patron of the city of Split, with a whole day events: procession, games (famous tombola), ceremonies, music and dancing.
3. Film festivals
For all the movie lovers there are big international festivals like Split Mediterranean Film Festival in June and Split Film Festival in September.

4. Music festivals
During summer months, there are lots of music festivals across the whole Dalmatian coast. The most famous one, Ultra Music Festival is held in Split during July, which makes Split a top destination for all the lovers of electronic music.
5. Split Summer Festival
Split Summer Festival is a manifestation from mid-July to mid-August, with a variety of open-air concerts, operas, plays and ballets all around the city, with attractive venues including the Peristyle Square, cellars of the Diocletian’s Palace and Sustipan Hill.

Erasmus student at Faculty of Economics, University of Split

My Erasmus took place in lovely Split in which I felt like home during first couple of days. Having coffee with friends, admiring seaside on the way to University or walking in beautiful Marjan park makes every day unique. Spending one semester abroad has incredibly broadened my mind and made me aware of my strengths and weaknesses. It is a great opportunity to use foreign language as the basic one, including studying. In this period I had the opportunity to meet and have fun with people from all over Europe and see how varied our ideas for life can be. Erasmus gives you the courage for other future challenges and does it in the most fascinating way!
